- (7) A salary packaging arrangement cannot increase the costs to the employer of employing an individual.
- (8) A salary packaging arrangement is to provide that the amount of any taxes, penalties or other costs for which the employer or officer is or may become liable for and are related to the salary packaging arrangement, shall be borne in full by the officer.
- (9) In the event of any increase in taxes, penalties or costs relating to a salary packaging arrangement, the officer may vary or cancel that salary packaging arrangement.

53. – SUPPORTED WAGE

(1) Workers Eligible for a Supported Wage

This clause defines the conditions that will apply to officers who, because of the effects of a disability, are eligible for a supported wage under the terms of this clause. In the context of this clause, the following definitions will apply:

"Supported Wage System" means the Commonwealth Government system to promote employment for people who cannot work at full award wages because of a disability, as documented in "(Supported Wage System: Guidelines and Assessment Process)";

"Accredited Assessor ", means a person accredited by the management unit established by the Commonwealth under the Supported Wage System to perform assessment of an individual's productive capacity within the Supported Wage System;

"Disability Support Pension" means the Commonwealth pension scheme to provide income security for persons with a disability as provided under the *Social Security Act 1991*, as amended from time to time, or any successor to that scheme; and

"Assessment Instrument" means the form provided for under the Supported Wage System that records the assessment of the productive capacity of the person to be employed under the Supported Wage System.

(2) Eligibility Criteria

Officers covered by this clause will be those who are unable to perform the range of duties to the competence level required within the class of work for which the officer is engaged under the Award, because of the effects of a disability on their productive capacity and who meet the impairment criteria for receipt of a Disability Support Pension. (This clause does not apply to any existing officer who has a claim against the employer, which is subject to the provisions of workers' compensation legislation, or any provision of the Award relating to the rehabilitation of officers who are injured in the course of their current employment).

This clause also does not apply to employers in respect of their facility, programme, undertaking, service or the like which receives funding under the *Disability Services Act 1986* and fulfils the dual role of service provider and sheltered employer to people with disabilities who are in receipt of or eligible for a Disability Support Pension, except with respect to an organisation which has received recognition under s10 or s12A of the Act, or if a part only has received recognition, that part.

(3) Supported Wage Rates

Officers to whom this clause applies shall be paid the applicable percentage of the minimum rate of pay prescribed by the Award for the class of work, which the person is performing according to the following schedule:

Assessed Capacity (clause 58.5)	% of Prescribed Award Rate
10%*	10%*
20%	20%

30%	30%
40%	40%
50%	50%
60%	60%
70%	70%
80%	80%
90%	90%

(Provided that the minimum amount payable shall be not less than \$60 per week).

*Where a person's assessed capacity is 10%, they shall receive a high degree of assistance and support.

(4) Assessment of Capacity

For the purpose of establishing the percentage of the Award rate to be paid to the officers, the productive capacity of the officer will be assessed in accordance with the Supported Wage System and documented in an assessment instrument by either:

- (a) the employer and the union, in consultation with the officer, or if desired by any of these; or
- (b) the employer and an accredited Assessor from a panel agreed by the parties to the Award and the officer.

(5) Lodgement of Assessment Instruments

- (a) All assessment instruments under the conditions of this clause, including the appropriate percentage of the Award wage rate to be paid to the officer, shall be lodged by the employer with the Registrar of the Commission.
- (b) All assessment instruments shall be agreed and signed by the parties to the assessment, provided that where the union is not a party to the assessment, it shall be referred by the Registrar to the union by certified mail and shall take effect unless an objection is notified to the Registrar within 10 working days.

(6) Review of Assessment

The assessment of the applicable percentage should be subject to annual review or earlier on the basis of a reasonable request for such a review. The process of review shall be in accordance with the procedures for assessing capacity under the Supported Wage System.

(7) Other Terms and Conditions of Employment

Where an assessment has been made, the applicable percentage shall apply to the wage rate only. Officers covered by the provisions of this clause will be entitled to the same terms and conditions of employment as all other officers covered by the Award paid on a pro rata basis.

(8) Workplace Adjustment

An employer wishing to employ a person under the provisions of this clause shall take reasonable steps to make changes in the workplace to enhance the officer's capacity to do the job. Changes may involve re-design of job duties, working time arrangements and work organisation in consultation with other officers in the area.

(9) Trial Period

In order for an adequate assessment of the officer's capacity to be made, an employer may employ a person under the provisions of this clause for a trial period not exceeding 12 weeks, except that in some cases additional work adjustment time (not exceeding 4 weeks) may be needed.

During the trial period the assessment of capacity shall be undertaken and the proposed wage rate for a continuing employment relationship shall be determined.

The minimum amount payable to the officer during the trial period shall be no less than \$53 per week.

Work trials should include induction or training as appropriate to the job being trialled.

Where the employer and officer wish to establish a continuing employment relationship following the completion of the trial period, a further contract of employment shall be entered into based on the outcome of assessment under subclause 4 of this clause.

54. – TRAINEESHIPS

(1) Definitions

"Part time trainee" means a trainee who is employed for a minimum of 20 hours per week (except in the case of school based traineeships), and has regular and stable hours of work each week, to allow training to occur. Wages and entitlements accrue on a pro-rata basis.

"Traineeship" means a full time or part time structured employment based training arrangement approved by the Western Australian Department of Education and Training where the trainee gains work experience and has the opportunity to learn new skills in a work environment. On successful completion of the traineeship the trainee obtains a nationally recognised qualification.

"Traineeship Training Contract" means the agreement between the employer and the trainee that provides details of the traineeship and obligations of the employer and the trainee and is registered with the Western Australian Department of Education and Training.

"Training Plan" means the plan that outlines what training and assessment will be conducted off-the-job and what will be conducted on-the-job and how the Registered Training Organisation will assist in ensuring the integrity of both aspects of the training and assessment process.

(2) Traineeships

(a) Trainees are to be additional to the normal workforce of the employers so that trainees shall not replace paid workers or volunteers or reduce the hours worked by existing officers.

(b) Training Conditions:

The arrangements between the employer and the trainee in relation to the traineeship are as specified in the Traineeship Training Contract, as administered by the Department of Education and Training. The trainee will be trained in accordance with the agreed Training Plan.

(c) Employment Conditions:

(i) the initial period of employment for trainees is the nominal training period endorsed at the time the particular traineeship is established;

(ii) completion of the traineeship scheme will not guarantee the trainee future employment in the public sector, but the employer will cooperate to assist the trainee to be placed in suitable employment, should a position arise;

(iii) trainees are permitted to be absent from work without loss of continuity of employment to attend off the job training in accordance with the Training Plan. However, except for absences provided for under this Award, failure to attend for work or training without an acceptable cause may result in loss of pay for the period of the absence;

- (iv) trainees will receive a mix of supervised work experience, structured training on the job and off the job, and the opportunity to practice new skills in a work environment; and
 - (v) overtime and shift work shall not be worked by trainees except to enable the requirements of the training to be effected. When overtime and shift work are worked the relevant allowances and penalties of the Award, based on the training wage stated in sub clause 1.4 will apply. No trainee shall work overtime or shift work unsupervised.
- (d) Wages:
- The salary applicable to trainees shall be as prescribed in the National Training Wage Award 2000 for officers up to and including 20 years of age. Adult trainees will be paid the rate prescribed under the *Minimum Conditions of Employment Act 1993* for the minimum weekly rate of pay for officers 21 or more years of age.

55. – PURCHASED LEAVE – DEFERRED SALARY ARRANGEMENT

- (1) With the written agreement of the employer, an officer may elect to receive, over a four-year period, 80% of the salary they would otherwise be entitled to receive in accordance with the Award.
- (2) The employer will assess each application for deferred salary on its merits and give consideration to the personal circumstances of the officer seeking the leave.
- (3) On completion of the fourth year, an officer will be entitled to 12 months leave and will receive an amount equal to 80% of the salary they were otherwise entitled to in the fourth year of deferment.
- (4) Where an officer completes four (4) years of deferred salary service and is not required to attend duty in the following year, the period of non-attendance shall not constitute a break in service and shall count as service on a pro rata basis for all purposes.
- (5) An officer may withdraw from this arrangement prior to completing a four-year period by written notice. The officer will receive a lump sum payment of salary forgone to that time but will not be entitled to equivalent absence from duty.
- (6) The employer will ensure that superannuation arrangements and taxation effects are fully explained to the officer by the relevant Authority. The employer will put any necessary arrangements into place.

Variation of the Arrangements

- (7) As an alternative to subclause (5) of this clause, and only by mutual agreement of the employer and the employee, the provisions of the deferred arrangement may be varied subject to the following:
 - (a) the term of the arrangement will not extend beyond that contemplated by this clause,
 - (b) the variation will not result in any consequential monetary or related gain or loss to either the employer or the employee, and
 - (c) the percentage of salary to apply during the 12 months leave as specified in subclause 3 of this clause will be calculated as 80% of the average ordinary prescribed hours worked over the previous four years.
